Around the Square

City Councilmen rate commendation this week for taking steps to curb rat infestations and to enforce high health standards for local restaurants and food handlers. A definite step forward, fellahs.

* * *

Our faith in human nature was temporarily restored last week when we saw several crates of lemons, stacked neatly at the side of the road down in the 500 block of West Orange Grove, and this sign: ...."Help Yourself—Pay What You Wish."

As far as we know, the fruit owner was not disappointed and there still is some honesty in the world.

* * *

What happend to the City Council's 10 o'clock "deadline" on meetings? Tuesday's session droned on until it was almost 11 before the final gavel thumped down.

The nation's readers are casting a questionning eye toward Pasadena these days, following publication and almost universal praise of David Hulburd's book on the recent Pasadena school squabble, "It Happened in Pasadena."

Out of the many reviews of the book—several in national magazines — only one, in a Pasadena newspaper, was unfavorable. It seemed to be little more than a long-winded rationalization for the stand the paper took during the heated controversy of last year.

Anyway, read the book and see what YOU think.

* * *

Speaking of education, we heard a bombshell of a rumor this week. Remember, at this time, it is only a rumor.

It is reported that Willard E. Goslin, ousted Pasadena Schools Superintendent, may be asked to accept a job in neighboring Los Angeles. The "job" probably could be only that of superintendent. If true, the news would turn the snicker the nation now is having at Pasadena's expense into a veritable horse-laugh.

Sierra Madre will receive a certificate from the Tournament of Roses Association next Wednesday, May 30, in honor of the city float in the 1951 Rose Parade.

The certificate will be presented Float Chairman Al E. Morgan at 8 p. m. in the studio of Float Designer Alfred James Dewey, 28 Windsor Lane. All Sierra Madreans who had a part in making the prize-winning Sierra Madre float are invited to attend.

Official films of the 1951 Rose Parade will be shown.

Cub Pack Two Plans Carnival

Cub Scouts of St. Rita's Pack 2 will stage their annual carnival Sunday, 27, at the home of Mr. and Mrs. Martin F. Coleman, 520 Michillinda avenue.

DR. VALOIS EASILY 'WINS' BOARD POST

Dentist Gets 104 Votes in Election

Dr. Milton Valois won a comfortable endorsement of 104 Sierra Madre voters at last Friday's election to fill the one vacant seat on the City School Board of Trustees.

Running unopposed in the election, Dr. Valois won all of the votes cast, there being no "write-in" candidates.

The Sierra Madre dentist will take his place as a board member at the organiztional meeting around the first of July. He will succeed E. Waldo Ward, retiring chairman. A new chairman for the Board will be elected at the same meeting.

City School officials admitted the turnout at the polls Friday was small, but pointed out that it was a better showing than many school elections.

"The 104 votes constituted a good showing in view of the fact that only one candidate filed for the election," said Mrs. Thomas K. Nielsen, school secretary.

Ballots will be canvassed by the Board at a special meeting tomorrow night.

Chamber to Hear Business Analyst Today

Walter E. Elieson, of the US Department of Commerce, is to be guest speaker at today's noon luncheon of the Sierra Madre Chamber of Commerce.

The luncheon begins at 12 o'clock at Pal-Mur's Cafe in the arcade of the Sierra Madre Hotel. This is the first of a new series of luncheons.

Mr. Elieson, a business specialist of the federal government, is in charge of dispensing valuable economic information to businessmen of Southern California. The Los Angeles office of the Commerce Department has a staff of business analysts under Mr. Elieson's direction. In addition, he addresses some 150 service clubs and business groups each year.

Bill Corbett Still Missing

There were no new developments this week in the large-scale manhunt to find Bill Corbett, 66-year-old Sierra Madre pensioner, who has been missing in Kern County for more than five weeks.

The five-man searching party from Sierra Madre last week returned with nothing new to report. Another thorough hunt, with mounted forest rangers and sheriff's deputies, was scheduled for this weekend.

Mr. Corbett was the caretaker at Sierra Madrean Ira Fox's gold mine northwest of Mojave, Calif.

CITY COUNCIL DECLARES 'WAR ON RATS'

BUY A POPPY is what women of the American Legion and Veterans of Foreign Wars auxiliaries are asking of Mayor William A. Kinney as the two groups plug their traditional appeal to aid disabled war veterans. Women of the veterans auxiliaries will be selling the memorial poppies tomorrow and Saturday. Left to right are Mrs. Marilyn Watson, president of the VFW Auxiliary; Mrs. Kitty Miller, poppy drive chairman of the Legion Auxiliary; Mrs. Edna Faller, president of the ALA; Mrs. Marian Eyre, VFW Auxiliary; and Mayor Kinney. City Also Studies Health Cards for Food-Handlers

The City Council this week declared war on rats. Councilmen called for an ordinance to "put teeth" in what the city can do toward curbing rat-breeding places and earmarked money for preliminary rodent control.

At the same time, the Council took action which may require local food-handlers to have health certificates.

Both actions came about as Councilmen renewed the health contract with the Los Angeles Health Department.

Several residents had complained about rat infestations in their neighborhoods, and City Clerk Lawrence B. Brain had been instructed to learn the cost of a survey in town on how bad the the situation really is.

He reported that it would be less expensive and more satisfactory if the health department sent in rat details on a contract basis for specific areas.

The proposed ordinance which City Attorney T. Guy Cornyn was instructed to draft will be patterned after the Glendale rat-abatement law. If adopted, it would call for the cleaning up of known rat breeding places and the prohibition of accumulations of rubbish and trash.

In addition, the law would require a distance from the ground of 18 inches wherever wood is piled. It also probably would include a provision for more frequent trimming of palm trees, one of the favorite habitats of rodents.

As a more immediate step, the Council set up a $25 fund to pay for rat-control details of the county through July 1 of this year, Councilmen also stipulated that the City Hall

Van Iersel, Highest Medal Winner, Feted

Sierra Madre's Congressional Medal of Honor winner, Louis Van Iersel, 134 E. Montecito, was honored last week

LOUIS VAN IERSEL
. . . hero honored

at the World Trade Week Armed Forces Day luncheon in the Biltmore Bowl.

Mr. Van Iersel was one of the four Southland holders of the highest military honor to be feted at the luncheon sponsored by the Los Angeles Chamber of Commerce and its Women's Division. Speaker for the event was to be Gen. Omar N. Bradley.

A veteran of two world wars, Mr. Van Iersel won his medal in action two days before the armistice, 1918. As a member of a patrol along the Meuse River, he brought special information valuable to the Allies' campaign.

During that period, he was a sergeant in M Company, 9th Infantry Regiment, Second Division. Mr. Van Iersel served in the Asiatic-Pacific Theater during World War II as a member of the Marine Corps. He is an active member of Sierra Madre Post No. 3208, Veterans of Foreign Wars.

Parade, Service To Honor Dead

Sierra Madreans will pay tribute to the local war dead with a Memorial Day parade and cemetery service next Wednesday, May 30.

The parade, featuring martial music by the 120-piece John Marshall Junior High School Band, will begin at 10 a. m. at the city park.

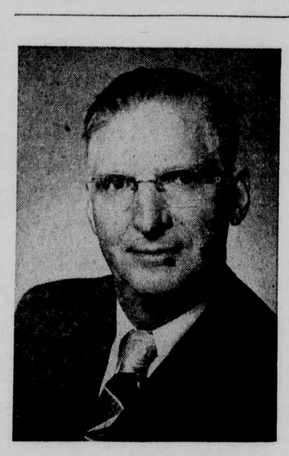

Speaker at the traditional Memorial Day services at Sierra Madre Cemetery will be Col. Walter D. Thurber, active in local civilian defense and National Guard Reserve work.

The parade and service are being sponsored by the Veterans of Foreign Wars Post. Richard Eyre, post commander, has appointed Francis Eakman chairman.

Mr. Eakman said he hopes to have between 500 and 600 children marching in the parade—children from the three elementary schools, Boy Scouts, Girl Scouts, and Camp Fire Girls.

All veterans' groups and auxiliaries have been invited to march, as well as the Sierra Madre Company of the California Defense and Security

Auxiliaries Seeking Flowers for Graves

An opportunity for Sierra Madreans to give flowers to help decorate the graves of local war veterans was announced today by the VFW and American Legion auxiliaries.

Forty-eight bouquets are needed to decorate the graves of men killed in the Civil, Spanish-American Wars, and World Wars I and II. Flowers may be either loose or in bouquets.

Members of the two veterans auxiliaries will meet at the city cemetery Tusday, May 29, to arrange the flowers. Residents who wish to give flowers may call Mrs. Edna Faller, Maybelle Barker, or any of the VFW Auxiliary.

Troop Five Wins Judging In Camporee

Troop 5 emerged on top of the pile Sunday as judging was completed at Sierra Madre's annual Boy Scout Camporee.

Although all troops won a "proficiency" rating, Troop 5 was ahead on total points amassed. Five troop and two senior Scout units were judged on various phases of Scoutcraft and citizenship.

In other contests, Troop 1 won in the knife and hatchet competition; Troop 2 won the log cutting; Explorer Post 108 wn in pitching tents; and Troop 3 won the fire-building.

Highlight of Sunday was dedication of the stone bench outside the Youth Hut. A copy of last week's NEWS, a Camporee program, and a judging sheet were encased in the base of the bench. Mayor William A. Kinney dedicated the bench building of which was supervised by Bill Newbery.

Eagle Scouts participating in the dedication ceremony were Richard Louis Wright, Ted Martin, and Mickey McKinley.

Auxiliaries to Sell Poppies May 25, 26

Women of the American Legion and Veterans of Foreign Wars auxiliaries will be selling poppies on Sierra Madre streets tomorrow and Saturday.

The poppies, all hand-made by disabled veterans of World Wars I and II, pay tribute to the dead and give financial help to the living.

Each year, members of the ALA and VFWA offer these poppies to the public to be worn on Memorial Day. In many cases the income derived from selling the poppies constitutes the only income of the disabled veterans who made them.

All contributions are used by the two veterans auxiliaries for the welfare of disabled war veterans and their families throughout the state.

Mrs. Kitty Miller, ALA poppy chairman, urges residents to buy their poppies in Sierra Madre.

"Other towns and cities will be selling them on the same days, but we naturally want all the local sales we can make," said Mrs. Miller,

STORES TO CLOSE MEMORIAL DAY

All Sierra Madre stores and offices will be closed next Wednesday, May 30, to observe Memorial Day.

After polling local merchants, the Chamber of Commerce announced that 100 per cent of Sierra Madre's business men and women will close for the legal holiday.

City Firemen Take Special State Course

Sierra Madre's volunteer firemen are receiving special instruction this week on pumping and hydraulics as applied to fire fighting.

Presented by the State Department of Education, bureau of trade and industrial education, the class is meeting for three hours each night this week. Instructor is Robert H. Lewis.

Local firemen will take an examination following the course of instruction on fire-fighting equipment, Fire Chief James C. Heasley said.

Have Garbage Out by 6 A. M.

Householders are requested to have their garbage and tin cans out in parkways by 6 a. m. on collection days. Previously, the deadline was 7 a.m.

Mrs. Martha Matoian, city contractor, said she must begin work an hour earlier in order to finish by the end of the day.

"I'm doing the best I can in servicing Sierra Madre," Mrs. Matoian said, "and I'd appreciate continued cooperation from all residents."

Mrs. Steele Files for School Board

Mrs. Isabelle E. Steele of Sierra Madre Tuesday was the 12th candidate to file as a candidate for the Pasadena Board of Education. Courtney Monsen, secretary of the board, said Mrs. Steele was the first Sierra Madrean in history to file for a seat on the school body.

Mrs. Steele is a former newspaper woman, having served several years as auditor of the San Pedro Printing and Publishing Company, associated with the Southern California Newspapers Association. Besides her business background she has had an active interest in civic and school problems.

She is a member of the Board of Directors of the California Civic and Associated Business groups. She is a director of publicity of the Pasadena Property Owners, a group with representation over the Southland. She resides with her family at 385 N. Baldwin. She has three children, two of whom are in Sierra Madre City School.

In announcing her candidacy, Mrs. Steele says, "I have no

COUPLE STARTS 500-MILE TRIP DOWN COLO. RIVER

A 500-mile trip down the Colorado River in an open boat is in store for Mr. and Mrs. Alan C. Macauley of Mount Wilson Trail.

The Sierra Madreans left Saturday on the journey they are taking for World Romance Travelogues. Armed with 104 pounds of photographic equipment—two movie cameras, a 4x5 Speed Graphic, and film—the couple hopes to take pictures for short film features and for television.

As far as is known, this is the first time anyone has ever made the continuous trip—from the Grand Wash Cliffs down into Mexico. Many persons have traveled portions of the river, of course.

The Macauley's will.. make the trip in a 17½-foot boat, weighing only 65 pounds. The craft has wooden frames and a rubberized hull, and the canvas enclosed deck makes it resemble a large kayak. Drawing only 4½ inches of water when loaded, the boat is rugged and suitable for both rapid and calm water. It's capacity load is 750 pounds.

On Sunday the local couple photographed the 80-mile speedboat marathon race on Lake Mead. That was to be their last touch with civilization; the next several weeks to be spent in paddling and picture-taking during the days, and camping by the river

LEAK HALTS WATER SERVICE

More than 100 families were out of water parts of Sunday and Monday as city employees of the water department battled what was described as "one of the worst water main leaks in years."

Water service was cut off in the canyon area for eight hours Sunday and six hours Monday while workmen toiled over a leak on Woodland Drive, above Alta Vista Drive.

Al Freeland, assistant water superintendent, said residents affected by the lack of water were "very cooperative and understood we were working as fast as we could to restore normal service."

He pointed out, however, that the leak would not have prevented the availability of water in case of a fire. Water service could have been turned on within 10 minutes in an emergency.

NEWS Ups Counter Price to 7 Cents

News stand and over-the-counter price of the NEWS is now 7 cents a copy.

Effective today, May 24, the individual sales price of the NEWS is raised from 5 cents to 7 cents, Mrs. Ione E. Ward, publisher, announces that the increase is made necessary because of rising costs.

Subscription price of the NEWS will remain the same as it has been in the past—$2.50 a year.

'CHILDREN SHOULD EARN PART OF CAMP COSTS'

Sierra Madreans were reminded again this week of the many summer camps available to local youngsters and youths.

Sponsored by the YMCA, Boy or Girl Scout Districts, or churches, the camps are scheduled for various times this summer, the earliest ones beginning in the middle of June.

Philip Mitchell, campership chairman of the Coordinating Council and a sixth grade teacher at City School, is urging as many local children as possible to take advantage of the camping programs.

Addressing the P-TA last week, Mr. Mitchell pointed out the desirability of boys and girls earning at least a part of their camp costs themselves.

"Summer camping should be an essential phase in raising children," he said. "It helps develop character, and trains the youngsters in getting along with one another and helps make them self-reliant.

"But camping is much more meaningful to boys and girls if they have a part in paying the cost," Mr. Mitchell stated.

He suggested that local merchants might cooperate with local children who approach them for small jobs to help create their "camperships."

Mr. Mitchell last week compiled some information on or-

City Lets Contract For Street Project

A bid of $36,248.75 was accepted by the City Council Tuesday for the street improvement program for Kersting Court, Sierra Madre boulevard, and Baldwin avenue.

Winning the contract was Warren Southwest Company, one of seven firms bidding for the job. The Council accepted the low bid subject to approval of the State Highway Department.

When the roll-call vote on awarding the contract came to Councilman Herman Barter, he passed. This touched off a five-minute "debate" between Mr. Barter and Councilman Noren Eaton.

Prodding him for his reason for not voting, Mr. Eaton asked:

"Is there something wrong with the low bid? I feel each councilman is entitled to the advice of other councilmen. I have a right to know why I may possibly be voting wrong."

Mr. Barter retorted flatly that he felt he had "voted in the best interests of Sierra Madre."

"I'm not required to explain each 'pass' vote I cast," he stormed, "nor do I have to agree with you on every vote."

Mr. Barter finally remarked that he thinks the storm drain on the west side of Baldwin, between Highland and Montecito, should have gone in before the new paving was done.

EDUCATION MAGAZINE HAS STORY ON NURSERY SCHOOL

Sierra Madre and its successful community nursery school are subjects of a feature-length article in the May issue of Childhood Education, an international magazine.

Photographs carry the credit line of Joe A. Hinojos, local commercial photographer.

Author of the article, Dr. Elizabeth L. Woods, formerly supervisor of guidance and counseling in Los Angeles City Schools, currently is with the staff of the Far East Command as "educational expert in the field of pupil guidance."

An editorial comment prefacing the article says, "Here is the inspiring account of community enthusiasm and industry which led to the forming of a cooperative nursery school. It illustrates outstanding teamwork among parents, teachers and other interested citizens."

Dr. Woods writes of Sierra Madre, "Its cultural level is well above average," and praises the parents "who conceived the idea of community responsibility for young children."

The article traces the growth of the Sierra Madre Community Nursery School from its opening in 1947, with 20 families, to the completion of the new building last year when more than 100 families were participating.

Photographs show exterior and interior views of the 2050-square-foot building on a half acre of land leased from the city at 701 E. Sierra Madre boulevard.

The Nursery School Association, made up of parents of children enrolled, and other interested people, is "a non-profit corporation, non-seectarian," as Dr. Woods phrases it. She follows with a detailed account of how the governing board of 21 trustees is elected and how committees function.

The school itself is largely operated on contributions from parents, "supplemented by services provided by mothers, fathers, and interested association members. Most families are able to pay their share of the cost, others pay only part, and some pay nothing, or one dollar a month. The amount paid by each family is known only to the director, the school secretary, and the treasurer.

"A yearly allotment is made to the school from the Community Youth Fund, and a monthly contribution is made by the local Kiwanis Club."

The local group's choice of Mrs. Marjorie Green as director is commended in the article: "She had for years been a leader in nursery education. Her advice as to organization was invaluable . . . "

PCC Ensemble To Feature Church Hour

"What Is This Christianity?" is the 11 o'clock sermon topic Sunday morning of the Rev. Don B. Rood, pastor of Bethany Church.

In the evening, for the 7:30 Evangelistic Hour, Rev. Rood will speak on "Revival Is Possible!" A musical ensemble from the Inter-Varsity Christian Fellowship of Pasadena City College is expected to feature the evening service.

Bethany's Scout Troop, under the direction of William Spargur, came home from last weekend's Camporee with top honors won in its division.

"We are justly proud of the fine showing of our boys," Rev. Rood said.

Dr. Holmes Speaks Friday In Pasadena

Dr. Ernest Holmes, founder of the Institute and Church of Religious Science, will lecture on "Spiritual Democracy" when he appears as guest speaker at the First Church of Religious Science, 277 N. El Molino, Pasadena, tomorrow night, May 25.

Recently returned from a speaking engagement in Texas, Dr. Holmes is expected to to bring a message pertinent to world needs of this time, according to church officials.

The public is invited to the service which begins at 8 p. m.

EPIPHYLLUMS AT COOLIDGE PLANT GARDENS

Epiphyllums, by their very daring and unusualness, are destined to a place of prominence in our decorative scheme.

Although a native to Brazil, Mexico, the Argentine and other tropical countries, many of the newer and finer types comprising our large collection have been developed in Europe. These are sometimes incorrectly called orchid cacti.

One could imagine nothing more congenial to Southern California climate and modern day architecture than these streamlined plants bearing a profusion of strikingly beautiful colors of the rainbow. There are white kinds fringed in lime yellow and brown, pink in monotone or irridescent tints, purples and flame and chartreuse, molten gold with vermillion, bronze with scarlet, blood-red with violet and others too numerous to mention.

Some types are effective in wall or hanking basket, but the majority display their charms to best advantage when trained against a trellis or wall.

The "Jewelled Corridor" at the Coolidge Rare Plant Gardens, Pasadena, during May and early June presents a spectacle of dazzling beauty that you cannot soon forget. Take your friends and give them a real treat.

Jewish Center Memorial Day Services Due

Memorial Day services at Foothill Jewish Community Center tomorrow night, May 25, will be sponsored by the Men's Club of the center.

Jewish war veterans will provide the speaker of the evening and participate in the service.

In charge of the program are Robert Yamar, Nathaniel A. Howe, and Max Goldman.

LADY LIONS MEET AT WELCH HOME

Sierra Madre's Lady Lions held their regular meeting last week at the home of Mrs. Lloyd Welch, 50 Montecito Court. Cohostess was Mrs. Hodge Wall.

The evening was spent in playing party games. Six officers of the Arcadia Lady Lions Club were guests.

MAN ARRAIGNED IN HOSPITAL BED OF PRISON WARD

From his hospital bed in the prison ward of the County General Hospital, Rudolph Salli pleaded "not guilty" on Thursday to charges of intoxication and drunk driving.

Salli, who was booked May 8 after police said his car apparently drove into a lightpost at the intersection of Churchill Road and Canyon Crest, suffered a fractured right knee cap in the accident.

City Judge John C. Mead set trial for Saturday, June 16, fixing the bail at $50 on the intoxication charge and $150 on the drunk driving count. Salli, a resident of Los Angeles, has waived the right to a jury trial.

The man will be represented in court next month by Joseph T. and Frank Ryan, attornies.

School Newspaper Wins Competition

The Wildcat, student newspaper at Monrovia-Duarte High School, has received "first class," or excellent honor rating once again in the competitive judging by the National Scholastic Press association for its issues last semester.

During the years the Wildcat has been entered in the competition against comparable high schools, it never has dropped below this first-class rating.

M-D High School Offers New Classes

Three newly-formed elective classes will be offered Monrovia-Duarte High School students next fall, according to Glen Grout, boys' counselor.

The additions to the M-D curriculum will include classes in Latin American History, applied science, and consumer or general mathematics. The history course, taught by Miss Vivian Elmgren, can be taken as a college history major.

you can end "menu monotony" with an electric home freezer!

JADED APPETITES, unfinished portions, unenthusiastic comments—surely, every housewife knows these symptoms of "menu monotony." Usually prevalent in late fall and winter, they are caused by the limited variety of fresh foods.
One fine cure is to have an electric home freezer in your house. Stocked with fresh foods bought when they're in season, it keeps them at the peak of goodness for serving any time during the year.
With an electric home freezer there's no "menu" monotony", no lazy, laggard appetites, and no wishing for out-of-season delicacies. Not by a freezer-full! *See your dealer now.*

PRATTS END 13,000 MILE TRAILER TOUR OF NATION

Home after an eight-month, 13,000-mile trailer trip through the United States, Mr. and Mrs. V. T. Pratt, 243 Santa Anita Court, now are looking forward to spending next winter in Phoenix, Arizona.

The Pratts agree with former-Mayor and Mrs. J. Milton Steinberger on their praise of Phoenix. They point out that the city is much greener than many other places in Arizona.

In the meanwhile, Mr. and Mrs. Pratt have approximately 900 colored slides to help them relive the memories of their recently-completed tour of the nation—a tour which took them through between 30 and 40 states , parts of Canada and Mexico.

Far from the "typical tourists," the Pratts had a carefully-worked our plan for sightseeing. Although their timetable was flexible enough to assure a leisurely trip, their stops were scheduled to take in as many historic spots as possible.

They started off the trip with visits to relatives in Illinois, Indiana, and Kentucky. From there, the Sierra Madreans worked their way northeast to Portland, Maine, then along the coastal regions south to Florida.

Among the many "highlights" of the trip were visits to the Luray Caverns in Virginia; driving over the Grandisle on Lake Champlain; seeing the Wanamaker Store in Philadelphia; touring all the famous places of New York and Washington, D. C.; visiting Montecello (Jefferson's home) and Ashlawn (Monroe's home) in Virginia; seeing the famous Bellengrath Azalea Gardens in Mobile, which Mr. Pratt described as "a fairyland in itself;

Tours of the French Quarter of New Orleans; and taking a boat trip under the 43 bridges within the city of San Antonio, Texas.

Taking their projector and screen with them, the Pratt's frequently gave showings of their slides in the recreation rooms of trailer camps at which they stayed.

Studio to Film Latest Book of Harlan Ware

Harlan Ware's latest book, "Come Fill the Cup," will be made into a motion picture starring James Cagney.

Warner Brothers Studio, producers of the film ,will begin "shooting" within the next few weeks. The Sierra Madre author's book will be published by Random House in the late fall or early winter.

Local Coed Seeks Office

Verlynne Woodward, daughter of Mr. and Mrs. Marcus A. Woodward, 99 Suffolk, will be a candidate for secretary of the associated women students at Pasadena City College in the primary elections tomorrow, May 25.

An art major, Miss Woodward is a 1951 graduate of Wilson Junior High School where she was active in the Red Cross, the GAA, Y-Teens, and Art Club. At PCC she has done work on the Freshman Council, Rooters Club, and the art service organization.

Victors in the race for student body offices at PCC, after the final elections June 1, will take their oaths of office at the installation banquet on June 11. They are to assume their new duties in the fall.

CITY NEEDS MORE AUXILIARY POLICE

Chief of Police Gordon G. McMillan reported the Sierra Modre Civil Defense Council needs 28 more auxiliary policemen.

Previously, the council had announced it needed only 13. Mr. McMillan said the correct number of auxiliary officers required is 35. The organization already has enrolled seven of the special policemen, he said.

Corps. In addition to the organized groups, Mr. Eakman said all local veterans are invited to take part in the parade.

Formation time for the parade has been set at 9 o'clock at the park.

Parading east along Sierra Madre boulevard, the marchers will disband at the cemetery for the services at approximately 10:30 a. m.

The Rabbi Dr. Charles W. Steckel will give the invocation to open the memorial rites. Under the direction of Mrs. Matilda Smith, City School music teacher, a group of her vocal students will sing several numbers.

Don Jackson is in command of the squad of riflemen that will fire a salute in memory of local war dead. Following Colonel Thurber's address, the Rev. Carl Smith will offer the benediction.

Mr. Eakman said boys and girls participating in the parade and service will be served ice cream by members of the VFW Post.

keep a record of how many rat complaints are received.

After Chief of Police Gordon G. McMillan told the Councilmen his department has received between 10 and 12 complaints over a six-month period, Councilmen Noren Eaton pointed out that doesn't constitute a public menace.

"We've brought the matter to a head, however," he said. "We've heard of only isolated cases so far. But if a real problem exists, it has been called to the attention of the people and we'll know about it by the next meeting."

It was Councilman Herman Barter who suggested that the health contract should have a provision to regulate standards for the eating establishments in town and to require food-handlers to have health certificates.

"Since many cities require it," Mr. Barter said, "most citizens assume it already is done here. People have learned to expect that dairymen and cows meet standards in the milk industry and should be entitled to similar standards for food-handlers."

Mr. Cornyn was instructed to see if there is anything in the existing health ordinance requiring certificates for food-handlers. If there is not, he will draft such an ordinance.

axe to grind. I am interested in an harmonious board of education, working closely with the people to reestablish confidence in our ability to solve our educational problems in the fine American Way." Three issues in the present campaign impress her.

(1). Everybody wants good schools. We are paying $45,000 to find out, rather precisely, how good the schools are now. I am prepared, if elected to study the findings and recommendations of the survey committee with a view toward adopting as many of them as the Pasadena school patrons are willing to buy. I shall do my best, in cooperation as a board, to bring our wishes for the schools into line with our ability and willingness to pay for them.

This means that as a (2nd) goal, I shall work diligently with the board to remain sensitive to the wishes of the patrons of the district at all times. As their representatives, the board must ever be alert to all means of good understanding with the community.

(3). I believe that the board of education is a policy-making group, as such, should not become involved in the details of school administration. I would look to the superintendent for educational leadership and professional administrative competency. I shall, if elected, strive with the board to achieve this kind of working relationship.

If these principles become operative, I believe harmony can be restored, in the not too distant future.

Col. Caldwell To Sell Goods At Auction

Colonel Caldwell, prominent auctioneer, will donate his services for the welfare of underprivileged children when the Sierra Madre Kiwanis Club sponsors an auction Friday, June 8.

Hugh Warden, chairman of the auction, said it will afford residents a chance to make money by converting used articles such as furniture, pianos, radios, and refrigerators into cash.

"Seventy-five per cent of the sale price will go to the owner of the article, and 25 per cent will go to the underprivileged children's fund of the Kiwanis Club," Mr. Warden stated.

There will be no profit to the auctioneer, he added.

Mr. Warden urged citizens to search houses and garages for articles that can be converted into cash. In conjunction with the auction, Kiwanians are soliciting other items that can be sold over the counter.

Additional information may be obtained from Mr. Warden or any Kiwanian.

FUNERAL RITES CONDUCTED FOR D. L. HUMPHREYS

Funeral services were held at Grant Chapel Thursday for David L. Humphreys, 82, who died May 16 at Santa Rosa, Calif.

Mr. Humphreys was the father of the late Harry Humphreys who passed away approximately one year ago. A native of Ohio, Mr. Humphreys had lived in Sierra Madre for a year or two, making his home with his son. For the last three months he was a resident of Santa Rosa.

Mr. Humphreys is survived by a grandson, Harry Humphreys of Arcadia, who is active in the Sierra Madre Masonic Lodge; and a daughter-in-law, Mrs. Thelma Humphreys of Pasadena.

The Rev. Carl Smith officiated over the services Thursday. Interment was at Mountain View Cemetery.

At least eight portages are anticipated during the trip by Mr. and Mrs. Macauley. From Yuma on down to the end of their trip, they will have to carry their own drinking water.

The Macauley's spent several weeks in research before embarking on the trip. They hope to find significant biological and zoological specimens on the river and along the shores.

The Sierra Madreans expect to return home around July 1.

Resolution No. 1180

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SIERRA MADRE, CALIFORNIA, ORDERING THE WORK OF IMPROVING MONTEREY LANE FOR A DISTANCE OF APPROXIMATELY EIGHT HUNDRED FEET SOUTHERLY FROM SIERRA MADRE BOULEVARD IN THE CITY OF SIERRA MADRE BY THE CONSTRUCTION AND INSTALLATION THEREIN OF GUTTERS, DRAINAGE STRUCTURES, GRADING AND OIL MACADAM PAVING, AND DIRECTING THE CITY CLERK TO POST AND PUBLISH A NOTICE INVITING SEALED PROPOSALS.

WHEREAS, the City Council of the City of Sierra Madre on March 13, 1951, duly and regularly passed and adopted Resolution of Intention No. 1170, declaring its intention to order the improvement of Monterey Lane for a distance of approximately eight hundred (800) feet southerly from Sierra Madre Boulevard in the City of Sierra Madre by the construction and installation of gutters, drainage structures, grading and oil macadam paving therein, and

WHEREAS, said Resolution of Intention No. 1170 was published and notices of the proposed improvement were posted along the line of the proposed improvement, and notices of the passage and adoption of said resolution were mailed to all known property owners, and

WHEREAS, a hearing was held on the 24th day of April, 1951, at 8 o'clock, P. M. at the City Hall, 55 West Sierra Madre Boulevard, in Sierra Madre, at which time all persons having any objections to the proposed improvement were present and were heard, and the City Council found that protests were made by less than one-half of the owners of frontage proposed to be assessed or of the area within the proposed assessment district, and said protests were denied;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SIERRA MADRE HEREBY RESOLVES AS FOLLOWS:

SECTION 1. That the work of improving Monterey Lane as aforesaid, known as the Monterey Lane Improvement District in the City of Sierra Madre by the construction and installation of gutters, drainage structures, grading and oil macadam paving, as more particularly described in said Resolution of Intention No. 1170, be and the same is hereby ordered to be done in accordance with the plans and specifications of the City Engineer, approved March 13, 1951, by Resolution No. 1168 of the City Council of the City of Sierra Madre.

SECTION 2. That the City Clerk shall cause to be conspicuously posted for five days on or near the Council Chamber door in the City Hall a notice inviting bids for the work herein ordered and to furnish the materials, supplies, equipment and services therefor, and shall cause said notice to be published by two insertions in the Sierra Madre News, a newspaper of general circulation, published in the City of Sierra Madre, in the manner and form required by law.

SECTION 3. That sealed proposals or bids for the work hereinabove set forth will be received by the City Clerk of the City of Sierra Madre until eight o'clock P. M. on Tuesday the 12th day of June, 1951, and will be publicly opened and declared immediately thereafter, in the Council Chambers in the City Hall of the City of Sierra Madre.

SECTION 4. Reference is hereby made to said Resolution of Intention No. 1170 on file in the office of said City Clerk for further particulars.

SECTION 5. The City Clerk shall certify to the adoption of this resolution.

I HEREBY CERTIFY that the foregoing Resolution was adopted at an adjourned regular meeting of the City Council of the City of Sierra Madre, held on the 10th day of May, 1951, by the affirmative vote of at least three Councilmen, to wit:

AYES: Councilmen, Eaton, Black, Korsmeier and Kinney,
NOES: None,
ABSENT: Councilman Barter.

Lawrence B. Brain,
City Clerk of the City of Sierra Madre.

SIGNED and APPROVED this 10th day of May, 1951.

Officers of Woman's Club Installed Yesterday

Yesterday afternoon the Woman's Clubhouse was the scene of an annual installation of officers for the coming year. Mrs. Elsworth Hixson, president-elect of the Los Angeles County Federation of Womens' Clubs installed the Sierra Madre officers and board. The traditional candle ceremony was very impressive.

Mrs. E. W. Beutler of 409 Ramona Ave., was the new president installed, succeeding Miss Elizabeth Steinberger, who served a two-year term. Other officers were Mrs. Percy Kortkamp, first vice.; Mrs. Carl Peterson, second vice.; Mrs. M. Hildner, secretary; Mrs. James C. Edsall, corresponding secretary; Mrs. M. H. Harris, treas.; Mrs. Robert Newbery, auditor.

Directors for the new year were Mrs. O. R. Haas, Mrs. C. R. Maitland, Mrs. Harry Owen, and Mrs. Russell Tyree.

A program of music completed the afternoon, the Sharaloyce trio of violin, harp and cello. The trio also played for the tea served by the board members.

Miss Joyce Fergus Honoree at Three Wedding Showers

Several wedding showers have been given for Miss Joyce Fergus whose marriage to Harold W. Artz takes place this evening at Bethany Church.

Mrs. Lawrence Starkey of W. Grandview was at home Monday evening to 30 guests honoring Miss Fergus in a kitchen shower. Co-hostesses with Mrs. Starkey were Mmes. Joe Maule, Frank Larson and Clarence Scheuer.

The table decorations were very beautiful in lavender iris and sweetpeas with white candles.

* * *

Saturday afternoon Mrs. Robert T. Martinette of Manzanzanita gave a miscellaneous shower for twelve guests at a tea. Yellow roses were used for the table and cake motif.

* * *

Mrs. David Tanner entertained 16 guests at a shower at her Los Angeles home last Wednesday. Miss Fergus' fiance is associated with the Tanner Electric.

Eastern Star Plans Public Dinner for Next Monday

The entertainment for the Eastern Star dinner to be given next Monday night, May 28, 6:30 at the Masonic Temple will be the color films of Dutch Guiana jungle and the primitive Djukas, the most exciting part of the film and lecture given by Botha Heilbron, a native of Dutch Guiana is the story of their extra ordinary methods of bread making.

The dinner is open to the public and Mrs. Eddie Robertson in charge. The film will depict the ingenuity of a primitive South American people. The proud, even arrogant, Djukas of the Dutch Guiana jungle have the brains, patience, industry and shrewd cleverness to extract a completely satisfying flour from the poisonous root of the bitter Cassava plant.

This root is peeled and grated into a white mash from which the milky liquid poison is extracted, leaving a white bread flour, ready for baking. 3½ ozs. of this milky liquid, containing Prussic acid will kill a person.

Friendly

It has always seemed to us that our Cocker Spaniel comes about as close to being a living expression of the word "Friendly" as any creature we know.

He just seems to embody all those wonderful qualities the word implies —warmth, sincerity, helpfulness, and genuine concern for the other fellow.

We think those are pretty important qualities and that they should find constant expression, in our business no less than in our social lives. That is why we have made "Friendly" a watchword of this Savings institution.

Pebble Beach Sports Car Race May 27

Sports car enthusiasts will head northward tomorrow for the second annual running of the Pebble Beach Sports Car Race, Sunday, May 27.

The "rally" mass trip up to the Pebble Beach site will be held Friday, May 25, under the auspices of the California Sports Car Club.

Southland racing fans and sports car owners will leave downtown Los Angeles at one-minute intervals, being judged upon arrival on the total time elapsed. A rigid time-table must be followed by drivers making the run. Arriving too soon is just as bad as getting there too late, since the trip must be made at legal highway and city speeds.

Mr. and Mrs. Clyde Hoover, 727 Skyland Dr., had intended to enter their sports car in the "rally," but changed their plans because of business commitments.

Institute to Tell Effective Advertising

"Effective Advertising" is the topic of the second session of the Profitable Merchandising Institute, to be held 7 o'clock this evening, May 24, at Carpenter's Santa Anita.

Guest speaker will be John Freiburg, president of the Freiburg Advertising Agency and Sales Counseling.

According to the Arcadia Chamber of Commerce, sponsor of the four-week institute, its purpose is to bring up-to-the-minute merchandising and sales information to business men and women in the San Gabriel Valley area.

The series is being presented through the cooperation of the Adult Education Department of Monrovia-Duarte High School.

Elks See Film On Arthritis

Monrovia Elks Club members viewed the film, "Problems of Rheumatoid Arthritis," last week as a part of the local arthritis campaign.

Showing the color movie was Francis Eakman, chairman of the Sierra Madre drive to solicit funds for research into causes and cures of the dread disease.

Presenting some of the background of the battle against arthritis was Dr. Carlos F. Sacasa, a specialist in arthritis at Los Encinas Sanitarium.

SPORTS ROUNDUP

by RALPH (Val) VALENCIA

ON THE DIAMOND

The baseball school was somewhat short on ballplayers Saturday. The reason, I imagine, was the Monrovia Carnival and the Boy Scout Camporee.

But the boys present had plenty of work on the infield and it made it much easier for the coaches to pick a good junior squad. All we need now is a couple of good young outfielders and the first string junior nine is set up.

From then on it will be a fight for each player to hold his position for the rest of the boys will be out there trying to take their jobs—which can be done. So you may see new faces in the lineup from week to week.

As a ball fan, this writer feels very proud of our local softball team. It had been invited to play in the Pasadena Owl's league this summer. The only sad part is, they had to split up. Not being able to get a local sponsor, they informed Pasadena of their withdrawal, and immediately the league voted to use all our players to bolster up their teams which proves we had a pretty fair team lined up this year.

ON THE FAIRWAY

The local Elks' golfers traveled to the Willowick Golf Course Sunday to compete in the monthly Sweepstakes. Capt. George Larson was well satisfied with his boys and thanked them all for their efforts.

Leading Team No. 1 in battle was Captain Larson going out in 42 and in with 41 for a total of 83 minus a 15 handicap for a net of 68.

The others followed in this order; Andy Liscomb out in 44 and in 40 for 84 minus 16 for a 68; Also Ralph Valencia out in 46 and in with 40 for 86 minus 18 for 68; Fred Krinke out in 46 in with 45 and some very bad breaks for a total of 91 minus 18 for 73. For Team No. 2 Bob Hassinger knocked the lid off the Gold Trophy when with a 28 handicap he carded 45-44 for 89 to grab 1st place with a net of 61. Gene Gretchenack, Paul Raab and Joe Murphy finished in that order with 75, 76, 80 net.

DOWN THE LANES

Joe Murphy is going great guns in the Elks' Friday night traveling league for the first two weeks, one against San Pedro and the other against Los Angeles. Joe is banging the pins for a 160 average.

Fred Krinke, being out of town for two weeks, will start his traveling league performances this coming Friday. Valencia, bowling in the Elks' summer league this year, is holding his own with a 171 average. Eddie Robertson, also bowling with Joe's roaming team, is crashing the maples for a 132 average.

Andy Liscomb is teetering on the fence about summer bowling. He might, and then again he might not. Other local pin busters seem to be saving their strikes and spares for next fall and winter shows. Could be a smart move, yes sir, could be a smart move.

QUICKIE

I understand a certain pen shop in L. A. run by one of our local residents, is going in for quite an extensive advertising campaign. Seems this firm has a representaive up near the Nevada-California line passing out sample pens to the motor cops and judges. Fred Krinke being in the pen business probably has the inside dope and could advise us as to who is putting on this, "Stay out of the pen drive?"

PCC Thinclads In State Meet

Led by their record-breaking shotputter, John Stellern, the Pasadena City College Bulldogs will enter five men in the State Junior College track and field meet to be held at East Los Angeles JC tomorrow and Saturday.

Stellern recently set a new school and Western States Conference record of 49 feet, 9½ inches.

Besides Stellern in the shotput, Coach Otto Anderson has other qualifiers in Glenn Moore, discus; Jack Sterkel, high jump; Carlos Holquin, high hurdles; and Don Hauser, pole vault.

V-Ettes Win Girl Softball Opener, 8-7

Behind the pitching of Barbara (Bobby) Cox, Sierra Madre V-Ettes girls' softball team won its opening game in the Sunset League Tuesday night. The local nine defeated a strong Montebello outfit, 8 to 7.

With the score tied, two out, and one player on base, in the last half of the ninth inning, Cathy Small broke up the ball game with a timely rap to right field.

The game was played on Sierra Madre's home field, in Arcadia.

'Seventeenth Summer' Play Opens Tomorrow

"Seventeenth Summer," Monrovia-Duarte High School's senior class play, will hit the boards tomorrow, May 25, in the school auditorium.

Adapted from the book by Maureen Daly, the play features a cast of one dozen drama students, including Stan Cornyn, son of Sierra Madre City Attorney T. Guy Cornyn, who will play "Fritz."

The play is being directed by Mrs. Margaret Wood, faculty drama director, and students Lois Johnson and Julianne Caldwell.

Sister Kenny-Ruth Home Seeks $300,000

Personal relations built up between skilled Kenny therapists and their polio-stricken patients have proved an important factor in the high rate of recoveries at the Ruth Home-Elizabeth Kenny Institute in El Monte.

Making this statement is Supervisor Leonard Roach, county chairman in the Sister Kenny Foundation's current $300,000 fund drive. Mr. Roach added that 85 per cent of the children treated at the institute have regained the ability to lead normal lives without the use of braces or artificial aids.

To continue this work, Mr. Roach urged "generous contributions" by residents of the Southland.

Drummer, Tenor Set Picnic Pace

Tenor Ralph Billingsley and Harold Conley, Congo drummer, will headline the list of special entertainment acts for the Oklahoma State Society picnic Memorial Day, May 30, at Sycamore Grove Park in Los Angeles.

William G. Condron, society president, announces that stars of radio, television, and the screen will appear on the program.

Any classification omitted herein not less than	1.67

Foremen, except as otherwise separately classified, shall be paid lot less than $1.40 per day more than the daily rate of the highest classification over which they have supervision.

Provided that no less than one and one-half times the prevailing rate shall be paid for any working time more than eight hours during any one calendar day, and for time on Saturdays, Sundays and the seven legal holidays, to-wit: New Year's Day, Memorial Day, Fourth of July, Labor Day, Armistice Day, Thanksgiving Day and Christmas.

Provided that, notwithstanding the general provision contained herein, Flagman, Guards and Watchmen shall be paid one and one-half times the prevailing rate for overtime (overtime shall be time worked in excess of eight hours per day or forty hours per week), and the straight prevailing rate for time worked on Saturdays, Sundays and holidays where such time does not constitute overtime.

The foregoing prevailing wage schedule is based upon a working day of eight hours and in the event that laborers, workmen or mechanics are employed less than eight hours per day, the rate of per diem wages shall be deemed to be that fraction of the foregoing rates that the number of hours of employment bears to eight.

The rate of compensation for any classification not listed in the schedule, but which may be required to execute the proposed contract, shall be commensurate with and in accordance with the rates specified for similar and comparable classification or for those performing similar or comparable duties.

The time within which the aforementioned work must be completed by the Contractor undertaking same has been fixed at sixty (60) days from and after the date of execution of the contract agreement, excluding Sundays and holidays.

It shall be mandatory upon the Contractor to whom a contract is awarded, and upon all subcontractors under him, to pay not less than said general prevailing rates of per diem wages to all workmen employed in the execution of the contract.

All bids will be compared on the City Engineer's estimate of quantities of work to be done.

No bid will be accepted from a contractor who has not been licensed in accordance with the provisions of Chapter 791, Statutes of 1929, as amended.

Notice is hereby given that proceedings for said work have been taken under and in accordance with Division 7 of the Streets and Highways Code of the State of California, designated and known as the "Improvement Act of 1911", and all acts amendatory thereof, and that bonds are to be issued to pay the costs and expenses thereof, as provided in said Resolution of Intention 1175, and in accordance with said Act.

Plans, specifications and proposal forms may be obtained from the office of the City Engineer, City Hall, Sierra Madre, California, upon a deposit of Five Dollars ($5.00), which deposit is refundable upon the return of the plans and specifications at any time within ten (10) days from the date of award of contract.

The City Council reserves the right to reject any or all bids or to waive any informality on a bid, if said action is deemed to be advantageous to the City.

By order of the City Council of the City of Sierra Madre, contained in Resolution No. 1180, adopted on the 10th day of May, 1951.

Lawrence B. Brain,
City Clerk of the
City of Sierra Madre, California.

Pat Mosser Wins Chance to Vie For Scholarship

Pat Mosser was one of seven Monrovia-Duarte High School science students selected by competitive examination recently to take annual chemistry aptitude test for scholarships to California universities .

Winner of the competition will receive a scholarship to any university in the state he or she may choose, Miss Mosser was the Sierra Madre Lions Club's entry in the 1950 student-speaking contest.

Mrs. Pratt's Mother Dies

Mrs. Mamie Jeannet Olsen, (mother of Mrs. Lorne Pratt of Sierra Madre), died Saturday, May 19, in a Los Angeles hospital.

A resident of Altadena, Mrs. Olsen was active in the Hill Avenue Grace Lutheran Church. Up to the time of her death she had been serving as president of the Ruth Circle of the church.

A native of Canton, South Dakota, Mrs. Olsen had lived in California for 24 years

Besides Mrs. Pratt, Mrs. Olsen is survived by her husband, Ben Olsen; a son, Gordon Olsen of Martinez, Calif., three sisters, Mrs. P. I. Baker of Pasadena, Mrs. E. L. Olsen of Canton, and Mrs. Myrtle Bell, also of Canton. She also leaves three grandchildren, of which Judy Pratt of Sierra Madre is one.

Funeral services yesterday afternoon at the Pasadena Church were jointly officated over by the Rev. N. G. Aadland and the Rev. Joseph Berg. Grant Chapel was in charge of arrangements. Interment was at Forest Lawn.

Mrs. Olsen was a former resident of Sierra Madre.

CITY LETS
From page one—

He also questioned the advisability of dumping the dirt and blacktop from the street project into the water spreading grounds as fill.

"If you have any information that blacktopping material is not suitable for the grounds, I'd like to hear it," Mr. Eaton said.

"I'd like to know how you know the blacktop is suitable," shot back Mr. Barter.

After several similar heated exchanges, Director of Public Works, Glen B. Watson said the blacktop would not be used unless they were certain it was acceptable fill.

The street project will include the ripping up of PE Railway Company's streetcar rails. Work is scheduled to begin within 10 days.

—EFFECTIVE MAY 24 THROUGH MAY 30—

Look . . . Hear, Now!

BY STUART and JANE HEINEMANN

Walked on the Al Jarvis set at KLAC-TV as they were reviving a 16-year-old Beauty Queen who had fainted just before time to go before the camera. Her companion "Queen" (they were representing a county fair) summoned her courage and went on alone. Such are the perils of TV . . . Presented for the first time on "Hometown Jamboree," the tune "Jump Rope Boogie" is expected to be one of Capitol's hit novelty songs. But composer Cliffie Stone isn't taking any credit for it. His 11-year-old daughter Linda, practically dictated the song from the tune and verses she sings while jumping rope.

Hollywood has been looking for a West Coast Faye Emerson. From cameramen to the publicity department, everyone at KNBH thinks they have found her in the person of "Gorgeous Gussie," (Moran), the panty-lace tennis player. Gussie won over the station staff at her recent audition. Without any material to work with, the racquet queen asked, "What'll I do boys, tell jokes?" Someone shouted "Sure!" And she did, really setting the boys on their ears. We missed the audition but heard some of the jokes. If her show is as good as the jokes—move over, Faye!

KNBH showed us the first fan letter received by Hopalong Cassidy since he moved to the NBC station. It was straight and to the point. From a youngster in El Monte, it said simply:

"Dear Hoppy: Come to dinner."

A call came into KNBH the other day. It was Cary Grant. He was inquiring as to the cost of a kinescope of last week's "Dave Willock-Cliff Arquette" show. Seems he and wife Betsy Drake, had missed seeing the show (their favorite) and wanted to run it off at home on their projector. Don't know whether the deal was consumated—but it would have cost the Grants around $350. Pretty expensive seats.

Thursday is School Day on "The Ruggles" lot at KECA-TV. Just like with child movie stars, state law provides that the kiddies must have their schooling wherever they are, and the show's twins—Donna and Donald—can't escape their lessons even on show day. Every Thursday a teacher comes on the lot to give 9-year-old Judy Nugent and Jimmy Hawkins (the twins) their three R's . . . Jerry Colonna's entry into TV via KECA-TV has done much to liven the huge ABC lot. An ex and excellent trombone player, Colonna likes nothing better than to make the walls bounce with his impromptu slide-horning.
